Special Notes:

The Press Tent is sponsored and staffed by members of The Phantom Tollbooth (www.tollbooth.org). The mission is to maximize artist exposure. To add to the excitement, the general public is welcome to observe, under strict supervision by Tollbooth staff members. Only credentialed press are allowed to ask artists questions.

Email announcement list: By applying for Cornerstone Press Tickets, you are automatically added to an announcement only email list to receive the latest Festival information.

Bring your banner! Your station or show banner will be displayed as part of our "banner collage" throughout the Fest. We are not responsible for damages, but we will do our very best to take care of your station's banner while creating an impressive show of media force.

It is your responsibility to make the arrangements for one-on-one interviews. The fest office can help with contact information until June 1. Email: press@cornerstonefestival.com or phone 773-989-2087.

Back stage access to other venues is at the discretion of stage managers and artists, who may limit access at certain times.

Clips: We would greatly appreciate receiving copies of your published coverage of the event. If you received press credentials last year, send the clips with your application.
